

River Monitor Training

Saturday, June 7, 2025

 **11:00 a.m. to 1:00 p.m.**

 **On the West Fork Carson River downstream of the 4th crossing bridge in Hope Valley.**

 Learn how to become a river monitor or refresh your river monitoring skills with AWG staff and CA Clean Water Team staff

 Q&A Session regarding river monitoring protocols, sampling methods, and data analysis with Clean Water Team staff

Existing river monitors and those interested in becoming river monitors are welcome!

Contact Headwaters Coordinator Rachel Maurer to RSVP awg.rachel@gmail.com
