

WEST FORK CARSON RIVER

Fuels Reduction and Aspen Monitoring Project Tour

Monday, August 18

4:00-6:30 p.m.

RSVP [here](#) for
meeting location
and details.

Please join Alpine Watershed Group, National Forest Foundation, and US Forest Service staff for a tour in Hope Valley. Come learn about fuels reduction work that has been completed to enhance aspen stands and restore meadows.

 (530) 694-2327

This event is in partnership with the [Forest Health
Community Working Group](#)

Projects in this area are funded by the California Department of Fish and Wildlife through their Watershed Restoration Grant Program or by the Sierra Nevada Conservancy through their Immediate Action Wildfire and Forest Resilience Program.
