

Creek Day 2022

Thank you!

With the help of 52 volunteers, we removed 72 bags of trash, 25 bags of invasive weeds, completed one beaver dam analog, and installed 102 willow stakes.

Thank you to all those who made Creek Day 2022 such a success. We had so much help from the community, local partners, and sponsors.

Event Partners: Alpine Trails Association, American Rivers, California Alps Cycling, California Coastal Commission, California Department of Fish and Wildlife, Department of Agriculture Alpine County, Friends of Hope Valley, Grover Hot Springs State Park, Markleeville Enhancement Club, Sierra Nevada Alliance, Sierra Nevada AmeriCorps Partnership, US Forest Service, Wylder Hotel Hope Valley
